

NUMBERING & BAR CODING

Trust the UK leader. Integrity is a major manufacturer of numbered and bar coded forms. Our extensive experience and wide production capabilities gives you the assurance of the highest standards of quality, reliability and expertise.

INTEGRITY
THE PRINT PROFESSIONALS

We are able to number using MICR, OCR, Arabic, Scitex and Inkjet.

We can apply numbers and barcodes to virtually any of our wide range of manufactured products.

Markets currently supplied include financial, couriers, secure documents, police enforcement tickets, pharmaceutical, government bodies, raffle tickets, customer account application forms – in fact any application that requires sophisticated numbering.

PRODUCT FEATURES

We can apply numbers and bar-codes to:
