

Integrated Cards and Labels

We are the UK's largest producer of integrated forms with extensive fire power and years of experience giving us unrivalled capacity backed up by a clear understanding of our customers' needs.

Dynamic Solutions

Our integrated labels are used by many of the UK's leading retail brands as part of their despatch solutions. The reliability of our products and our ability to provide a comprehensive storage and fulfilment facility means that we are a trusted and integral part of the supply chain.

We are also able to offer a comprehensive range of integrated cards for the membership and promotional sectors. With options for dualam, peel out or butterfly cards, all with fully laser compatible laminates and variable shape and size cutters, Integrity can supply eye catching solutions across a range of card products.

Our integrated division can also produce parking permits, visitor passes and photo cards. All our forms can be supplied as plain or pre-printed and we are also able to offer a range of fulfilment options if you prefer to outsource lasering and mailing.

Integrated cards

- Peel out, pop out, butterfly and dualam cards plus laser and signature compatible laminates in a vast range of dimensions

Integrated and applied labels

- Duo-copy and non-copy available in a wide range of shapes and sizes
- A choice of hot melt glue, cold glue or pre-coated adhesives
- Peelable or permanent adhesives, applied post-it style notes
- Bespoke design service

Laser pinmailers

- Licensed manufacturer of Hydalam XO+1
- Hydalam XO+1 has full APACS accreditation to level 3, as required
- Extensive range of secure document solutions
- Three Hunkeler and two Tamarack lines, with products available in 17", 20", 22" and 24" and as single-part, multi-part or sheets.
- Up to 10 colours
- Great range of Integrated magnets, die-cut windows, parking permits, visitor passes, photo cards, pockets and more.

All integrated products are available as cut sheet and fanfold and some on reels. We are happy to provide full product training on all of our integrated solutions.
