We will comply fully with the contractual, statutory and regulatory requirements of each contract and will give complete satisfaction to our customers. To achieve this Integrity operates an Integrated Quality & Environmental Management System that is certificated to ISO 9001:2015 and ISO 14001:2015.

Through our objectives, we will strive to meet and exceed our Customer's expectations and are committed to: -

- Continually improve the effectiveness of our Quality & Environmental System
- Improve profitability and Increase Market Share
- Produce conforming product in a safe environment
- Comply with contractual and legislative requirements

At Integrity Print we recognise our environmental responsibilities and are committed towards protecting the environment. We strive to continuously improve our environmental performance by implementing the following measures:

- Practicing environmental protection on our own initiative.
- Complying with all relevant environmental legislation and regulations.
- Reviewing the actual and potential environmental impacts of our activities.
- Improving the environmental awareness of our employees & stakeholders.
- Encouraging our suppliers and distributors to improve their environmental performances.

Using these approaches, we will strive to: -

- Reduce waste material levels.
- Improve energy efficiency.
- Prevent pollution to air, land and water.

Through the delivery of this policy we believe we will maintain a clear focus on our business to ensure a Quality product is provided whilst minimising our impact on the environment to the benefit of the society in which we operate and the wider community.

This Policy will be reviewed for continuing suitability at every Management Review Meeting, communicated to all staff and made available to all interested parties.
